THE breakfast club in Noosa

Chartered 19 May 1999

Welcome to the eleventh edition of **The Daybreaker** for **2025/26**, and the second in **2026**

President David's Message:

Hi All,

Not much from me for this issue except to say it has been a pleasure to present some Thank You certificates to some volunteers over the last few weeks.

Volunteers are an important part of the club and will be even more important at Bookfest this year so start thinking are there some friends out there that would be willing to volunteer a few hours to help out at Bookfest this year. It's not hard work and they will enjoy their time at Bookfest.

There are more books at the shed so pencil in the 21st of Feb for the next Booksort. If we receive any more we will need to schedule in an additional day to sort.

I have mentioned a few times things that I learnt at a Membership Forum in Brisbane last year. One thing was about making sure members mix at meetings and don't sit in the same seat every week. Not mixing with all members can have an impact on members and especially new members. So this week be prepared for a slight change.

David

P.S. Board Members do not forget the Board Meeting, 4pm next Monday at the Salvo's

Daybreak members will be pleased to know that the primary school books that I delivered recently to RARE in Brisbane have been packed into a Solomons Island container already. The destination is **Jordan Village in East Kwaio of Malaita Province in Solomon Islands**. Pacific Baptist Mission is constructing a new school and our school books will be utilised by these students in the Solomon Islands.
